SEMI-ANNUAL INDEX

VOLUME 141 JANUARY—JUNE 1971

AUTHORS

Month Pg.

Ahern, John J. ..... May 10
Brown, James R. ..... Apr. 14
Clark, Roland R. ..... Mar. 24
Couch, Virgil L. ..... Jan. 40, Feb. 32, Mar. 38, Apr. 30, May 14, June 31
Creswell, Thomas J. ..... Jan. 32
Crow, Trenton ..... May 28
DeMasi, Dean A. ..... Mar. 20
Doyle, Charles D. ..... June 28
Jones, Ray G. ..... Feb. 20
Killen, William J. ..... May 24
Kobler, Jay ..... Apr. 16, May 20
LeClerg, Robert E. ..... Mar. 35
MacDonald, Norval ..... Apr. 11
Maddocks, Capt. W. J., USN ..... June 22
McCormick, Charles G. ..... May 34
Merkle, C. R., Jr. ..... Mar. 16
Mueller, Phillip R. ..... Apr. 24
Ondrof, Andrew J. ..... Feb. 28
Patton, Robert L. ..... Jan. 14
Petersen, Dan ..... Jan. 36
Pope, W. C. ..... Feb. 28
Prowler, Millard E. ..... Feb. 18
Quam, G. N. ..... Feb. 24
Reigel, Stanley A. ..... June 28
Rettew, Vincent E., Jr. ..... Jan. 24
Sataloff, Joseph, M.D. ..... Feb. 12
Shea, James ..... Feb. 24
Spence, Karl D. ..... May 28
Steiger, William A. ..... June 11
Teller, Dr. A. J. ..... Mar. 11
Thompson, Gregory L. ..... Mar. 13
Tressler, Bob ..... Jan. 20
Vassallo, Lawrence A., M.S. ..... Feb. 12
Von Wiegand, Ross A., M.B.A. ..... Mar. 21
Wilkenson, Thomas H. ..... Mar. 34

SAFETY MANAGEMENT

Advisory board introduced ..... Jan. 8
A 100% eye protection program ..... Jan. 28
Alcoholics in industry ..... Mar. 21
Alert to hidden medical problems ..... Mar. 29
A revolution—and how to treat it ..... Mar. 35
Austerity challenges management ..... June 22
Authority? Who needs it? ..... Feb. 28
Choosing a first aid system ..... Mar. 24
Committee for plant improvement ..... Apr. 20
Editorial advisory board introduced ..... Jan. 8
Emergency showers—who needs them? ..... Jan. 24
Eye and face shields ..... Feb. 24
Eye protection ..... Jan. 28
Fire protection—1971 ..... May 10
First aid systems—which one is right for you? ..... Mar. 24
FOCUS—Journal of the National Safety Management Society ..... Jan. 31, Feb. 27, Mar. 33, Apr. 23, May 27, June 21
Guarding man at his machine ..... Feb. 20
Headwear, protective ..... Jan. 20
How the Penn Central improved safety performance ..... June 16
How to get management support for your safety programs ..... Apr. 24
Industrial first aid ..... Mar. 24
Integration of safety management with overall management ..... Mar. 34
Investigation of high impact shields for eyes and face ..... Feb. 24
Is today's young worker "a revolution on the payroll"? ..... May 24
Key elements of an effective respiratory protection program ..... Mar. 16
Labor acts on the omnibus bill ..... May 20
Line and staff authority ..... Feb. 28
Machine guarding ..... Feb. 20
Management and the Occupational Safety and Health Act ..... Apr. 16
Management support for safety ..... Apr. 24
Medic Alert in industry ..... Mar. 29
Motivation and realism ..... May 28
National council on alcoholism ..... Mar. 21
National Safety Management Society Journal Jan. 31, Feb. 27, Mar. 33, Apr. 23, May 27, June 21
New framework of thinking ..... Jan. 36
Omnibus bill: a bitter past—a better future? ..... June 11
Omnibus bill—good or bad for management? ..... Apr. 16
Organized labor acts on the omnibus bill ..... May 20
OSHA 70 and management ..... Apr. 16
Partners in preparedness ..... Jan. 41, Feb. 32, Mar. 38, Apr. 30, May 14, June 31
Penn Central safety program ..... June 16
Plant improvement committee—a safety tool ..... Apr. 20
Polaroid Corp. eye protection program ..... Jan. 28
Principles of machine guarding ..... Feb. 20
Problem of alcoholism ..... Mar. 21
Realism in safety motivation ..... May 28
Respiratory protection program ..... Mar. 16
Safety hats and caps ..... Jan. 20
Safety management and the training function ..... Jan. 32
Shields for eyes and face ..... Feb. 24
Showers and eyewash ..... Jan. 24
Theories of accident cause and effect ..... Jan. 36
Training function ..... Jan. 32
Union response to the omnibus bill ..... May 20
Wash units, emergency ..... Jan. 24
What puts the "safety" in safety hats and caps? ..... Jan. 20
Young workers today ..... May 24

ENVIRONMENTAL CONTROL

Automation in industrial water management ..... Jan. 14
Coal dust problem solved ..... Mar. 13
Cupola air pollution control systems ..... June 28
Disposal of solid wastes ..... Mar. 11
Dust problem solved ..... Mar. 13
Environmental control and the insurance safety engineer ..... Apr. 11
Environmental problems in sewage plant ..... Apr. 14
Evaporative coolers ..... June 28
Hearing conservation—industry's responsibility ..... Feb. 12
Incinerator prevents air pollution ..... Feb. 18
Industrial hearing conservation ..... Feb. 12
Industrial water management ..... Jan. 14
Insurance safety engineer and environmental control ..... Apr. 11
Mobile wastewater treatment system ..... Jan. 18
Noise control programs ..... Feb. 12
Operating experience of evaporative coolers serving cupola air pollution control systems ..... June 28
Pollution control slowdown ..... Feb. 16
Problem air? Recirculate it! ..... May 34
Recirculating problem air ..... May 34
Roof-top incinerator prevents air pollution ..... Feb. 18
Sewage plant corrects environmental problems ..... Apr. 14
Slowing down pollution control ..... Feb. 16
Solid waste disposal: impossibility vs. profitability ..... Mar. 11
Speaking of slowing down pollution control ..... Feb. 16
Treatment of wastewater ..... Jan. 18
Wastewater treatment on wheels ..... Jan. 18
Water management, industrial ..... Jan. 14

SECURITY

Blueprint for industrial disaster readiness ..... Feb. 32
Bomb threats and disaster—a guide to corporate planning ..... May 14
Civil disturbances ..... Apr. 30
Disaster readiness ..... Feb. 32
Ecology and nuclear weapons ..... Mar. 38
Guide to planning for bomb threats ..... May 14
Industrial sabotage and disaster ..... June 31
Industry's role in the national civil defense program ..... Jan. 41
Is your company ready for civil disturbances? ..... Apr. 30
National civil defease program ..... Jan. 41
Nuclear weapons and ecology ..... Mar. 38
Sabotage preparedness ..... June 31

TRAINING AIDS

Artificial respiration ..... Apr. 48
Fire prevention training aid ..... May 48
Good housekeeping training aid ..... June 48
Guard devices training aid ..... Feb. 48
Machine guarding training aid ..... Feb. 48
Resuscitation training aid ..... Apr. 48
Save your skin ..... Mar. 64
Saving sight training aid ..... Jan. 62
Sightsaving safety training ..... Jan. 62
Skin protection training aid ..... Mar. 64
